| Extra Strength Capsules | 30 ct | 35 mg/cap UNFLAVORED | | 18 mg/cap | 540 mg |
| | 60 ct | | | | 1,080 mg |

*MCT - Mint Chocolate Flavor
*OO - Olive Oil Flavor

We use two different types of extract methods, IPA(alcohol) and CO2, which result in the varying hemp extract content between the two formulations. Olive oil and MCT oil may have different hemp extract mg per mL due to the extraction method used. Regardless of the extraction method used, the strength will be the same due to the consistency and stability of our proprietary hemp genetics.
